

PRESS REPORT ON NATIONAL SCIENCE DAY CELEBRATION 2022.

National Science Day was celebrated on February 28, 2022 in memory of Dr. C.V. Raman in Bhavan's Bhagwandas Purohit Vidya Mandir, Nagpur on the theme '**Integrated Approach in Science and Technology For Sustainable Future**'.

A science tour to various laboratories of Physics, Chemistry and Biology were taken by the students of std VI & VII who were guided by 16 students of std XI from Science stream. Std. XI students took initiative to display and explain models, charts, equipment and their working, use of different chemicals and live specimens of plants. 88 students from std VI and 106 students from std VII were introduced to eight R's of sustainable development. i.e. Rethink, Refuse, Reduce, Repair, Regift, Recycle, Refill. Std VI students were sensitised about the integrated approach of Science and Technology towards sustainable future whereas std VII benefitted with this idea of how, why and what the need is behind the theme.

The programme was successful due to motivation, unending support and able guidance of school Principal Smt. Parwati G. Iyer. Other teachers who made the event successful were Dr. Asmita Deshpande (Incharge), Smt. Pushpita Chakraborty, Smt. Nayana Soholkar, Ms. Mamta Gore, Smt. Nidhi Agnihotri, Smt. Prachi Samarth, Smt. Sonali Tumbde, Smt. Amrita Bobde, Smt. Shibanaz Khan and Smt. Jayashree Narnaware.
