On July 19, 2025, Bhavan's Bhagwandas Purohit Vidya Mandir, Trimurti Nagar, Nagpur under the aegis of COE Pune, hosted an enriching one-day training workshop for teachers on "**Storytelling as Pedagogy**". The session aimed to equip teachers with innovative storytelling techniques and their practical application across subjects to enhance student engagement and holistic learning.

The eminent resource persons — **Smt. Anju Bhutani**, Academic Coordinator and Manager, Bharatiya Vidya Bhavan, Nagpur Kendra, and **Ms. Sarbani Bose**, Principal, Bhavan's B.P. Vidya Mandir, Koradi Branch — shared insightful strategies to use storytelling as an effective pedagogical tool. The workshop emphasized the importance of perspective-building through storytelling, understanding different types and elements of storytelling, and integrating storytelling in subject areas such as Languages, Mathematics, Science, and Social Science. Teachers enthusiastically participated in a series of interactive and imaginative activities like *Join the Maze*, *Twist a Tale*, *Read-O-Paint*, and *Knit a Story*, which demonstrated how storytelling can enhance conceptual clarity and creative thinking in the classroom. 60 participants (Teachers handling Nursery to Std.
