XVI PRINCIPALS' CONFERENCE

The Principal attended the XVI Principals' Conference hosted at Bhavan's SL Public School, Amritsar. The three-day conference brought together principals from Bhavan's schools across the country for professional dialogue and academic enrichment. The sessions focused on key areas of contemporary education, including Artificial Intelligence in school education, strategic management, technology integration in teaching-learning processes, implementation of NEP 2020, and child protection and well-being. Eminent academicians, educationists, and CBSE officials addressed the delegates. The conference also included group discussions, enabling principals to share experiences and best practices.

PRINCIPAL'S PROFESSIONAL LEARNING ENGAGEMENT

Smt. Parwati G. Iyer attended a professional development session organised by the Nagpur Sahodaya Schools Complex on 17th September 2025 at St. Vincent Pallotti College of Engineering and Technology, Nagpur. The session, led by Shri G. Balasubramaniam, former Director of CBSE, focused on Innovative Leadership for Digital and Pedagogical Transformation and offered valuable insights into contemporary school leadership.

PRINCIPAL'S PARTICIPATION IN EDUEXCELLENCE 2025- IIT DELHI

The school was represented by the Principal at eduExcellence 2025, the 16th Annual International Conference organised by Indian Institute of Technology Delhi, held on 22nd and 23rd December 2025. The conference, themed "Building a Dream School Team," offered valuable insights into leadership and collaborative school culture. The sessions provided a rich platform for interaction with eminent educationists and school leaders from various places. The learnings from the conference will further strengthen the school's vision of nurturing a cohesive and future-ready academic team.

LEADERSHIP EXPOSURE VISIT AT IIM NAGPUR

As part of professional development initiatives, the Principal attended a CBSE Exposure Visit at the Indian Institute of Management Nagpur, organised by the Central Board of Secondary Education. The visit offered valuable insights into contemporary leadership practices, skill-based education, and institutional excellence, with a strong focus on the implementation of the National Education Policy 2020. The interactions and sessions provided meaningful perspectives that will further strengthen academic leadership and school practices.

CBP ON VALUE EDUCATION THROUGH SPORTS

The Centre of Excellence Pune conducted a Capacity Building Programme (CBP) for Prospective Resource Persons (PRP) on 17 November 2025 at St. Vincent Pallotti School, focusing on value education through sports. The session was led by Dr. Swaroop Dutta and Ms. Meenal Rathore and aimed at strengthening pedagogical content knowledge while encouraging innovative practices in education. The programme highlighted the integration of sports into value education to promote holistic student development, with interactive discussions on nurturing teamwork, discipline, and sportsmanship. The workshop was attended by Principal Smt. Parwati G. Iyer, along with Smt. Tahseen Bano and Smt. Yogini Paranjpe, and underscored the vital role of sports in shaping students' character and value.

CBSE CAPACITY BUILDING PROGRAMME ON STORY TELLING AS PEDAGOGY

The school hosted a CBSE Capacity Building Programme on Storytelling as Pedagogy on 19 July 2025. The programme brought together 60 teachers for a day of meaningful professional engagement. Resource persons Smt. Anju Bhutani and Ms. Sarbani Bose led interactive sessions that explored storytelling as a powerful tool for enhancing comprehension, creativity and classroom engagement. Through practical demonstrations and reflective discussions, teachers examined how stories can transform teaching-learning processes across subjects. The programme reaffirmed the enduring relevance of narrative in education and its role in creating thoughtful, learner-centred classrooms.

CBSE CAPACITY BUILDING PROGRAMME ON ACTIVE LEARNING

The school hosted a CBSE Capacity Building Programme on Active Learning on 20 September 2025. The programme engaged 60 teachers in interactive sessions led by resource persons Smt. Reena Dargan and Smt. Unnati Datar. The discussions and activities highlighted learner participation, collaboration, and reflection as key elements of effective classroom practice. Teachers explored strategies to move beyond passive instruction and create classrooms where students think, question, and learn actively. The programme

reinforced the importance of engagement-driven teaching in fostering meaningful learning experiences.

DESIGN THINKING & INNOVATION WORKSHOP

Teachers attended a Design Thinking & Innovation (DTI) Workshop organised under the joint initiative of DoSEL, Ramdeobaba College, Ministry of Education's Innovation Cell, AICTE, and CBSE. Conducted by IIT Bombay faculty and DTI Core Committee members, the workshop focused on innovative pedagogy, experiential learning, assessment strategies, and the School Innovation Council. Participants included Smt. Anuja Deshpande, Smt. Bharti Bokade, Smt. Jyoti Gillurkar, Smt. Rekha Kuthe, Smt. Deepal Kothari, Smt. Nayana Soholkar, and Smt. Pushpita Chakrabarty.

CELP – NCERT RIE BHOPAL

Dr. Rajshree Diwan and Dr. Rina Joshi were selected as part of a national cohort of teachers for the Certificate in English Language Pedagogy (CELP) conducted at NCERT-RIE, Bhopal. The seven-day contact programme offered a stimulating engagement with contemporary approaches to English teaching, including task-based learning, project work, art integration, and experiential pedagogy. Sessions were hands-on and reflective, encouraging participants to rethink classroom practices through learner voice and creativity. Working with digital tools and teaching-learning materials added a meaningful contemporary dimension.
